Wei Bo Associates HK, Ltd. Announces Participation in the 21st Expo Electronica 2018

For Immediate Release: 20 Mar 2018

Wei Bo Associates HK, Ltd., the industry's leading high power, SMT RF Limiter and Switch manufacturer, today announced their participation in the 21st Expo Electronica Moscow in cooperation with MTi Summit SPB (booth C231), their representative in Russia and the CIS. Expo Electronica will run from April 17th - 19th at Moscow's world class International Exhibition Centre Crocus Expo.

"The significance of Expo Electronica has steadily emerged over the past twenty years becoming one of the industry's most important exhibitions. I had the honor of attending several Expo Electronica's over the years including the very first one." stated Tim Emery, Senior Partner and Vice President Business Development, Wei Bo Associates HK, Ltd. He continued "Wei Bo Associates' representative, MTi Summit SPB has done an outstanding job in growing our Russia and CIS business over the past three years and I look forward to joining them for the 21st Expo Electronica 2018 and meeting with our customers."

Wei Bo Associates will be introducing several new products at Expo Electronica. Please stop by the MTi Summit SPB booth (C231).

About Wei Bo Associates HK, Ltd.: *Wei Bo Associates HK, Ltd. was founded by former senior management of Aeroflex & MACOM in 2014 specifically focused on supporting RF customers in the BRICS nations who have become marginalized by the unhealthy trend of RF industry consolidation. Wei Bo Associates HK, Ltd. offers high power, high reliability, SMT Limiter and Switches in the HF to X Band frequency range designed, developed and produced in the company's Hong Kong and Malaysia facilities.*
