

Wei Bo Associates HK Limited

Wei Bo Associates HK, Ltd. Announces Participation in the 22nd Expo Electronica 2019

For Immediate Release: 1 Mar 2019

Wei Bo Associates HK, Ltd., the industry's leading supplier of High Power, SMT RF Limiters and Switches, today announced its participation in Expo Electronica Moscow 2019 in cooperation with MTi Summit SPB (booth A937), their representative in Russia and the CIS. Expo Electronica 2019 will be held at Moscow's International Crocus Expo Exhibition Centre from April 15th - 17th.

"Wei Bo Associates products received an impressive level of customer interest during and following our participation in last year's Expo Electronica and we look forward to introducing our new product releases during the upcoming Expo Electronica 2019" stated Tim Emery, Vice President Business Development, Wei Bo Associates HK, Ltd. Wei Bo Associates offers an extensive portfolio of RF SMT Limiters and Switches which operate from HF thru X Band frequency range, many which operate up to +60 dBm Peak Power. He continued "Wei Bo Associates' representative, MTi Summit SPB has done a marvelous developing new business in Russia and CIS over the past five years and we look forward to supporting their efforts again this year.

Wei Bo Associates will be introducing several new products at Expo Electronica. Please stop by the MTi Summit SPB booth (A937).

About Wei Bo Associates HK, Ltd.: *Wei Bo Associates HK, Ltd. was founded by former senior management of Aeroflex& MACOM in 2014 specifically focused on supporting RF customers in the BRICS nations who have becomemarginalized by the unhealthy trend of RF industry consolidation. Wei Bo Associates HK, Ltd. offers high power, high reliability, SMT Limiter and Switches in the HF to X Band frequency range designed, developed and produced in the company's Hong Kong and Malaysia facilities.*
