OEM's will be happy to understand that Wei Bo Associates HK, Ltd., as a matter of company policy, commits to support all products for the life of the customer's project so as to avoid any uncertainty of continued future support. "This type of written guarantee of product support really differentiates Wei Bo Associates in the eyes of so many customers who have become accustomed to less-than-graceful EOL notices from RF suppliers myopically focused on financial engineering instead of product engineering" offered Tim Emery, Vice President of Business Development and Senior Partner of Wei Bo Associates.

Samples and Evaluation Boards are available.

About Wei Bo Associates HK, Ltd.: *Wei Bo Associates HK, Ltd. was founded by former senior management of Aeroflex & MACOM in 2014 specifically focused on supporting RF customers in the BRICS nations who have become marginalized by the unhealthy trend of RF industry consolidation. Wei Bo Associates HK, Ltd. offers high power, high reliability, SMT Limiter and Switches in the HF to X Band frequency range designed, developed and produced in the company's Hong Kong and Malaysia facilities.*
